RE: Coronavirus Impact

Dear Valued Miller Stephenson Customer,

Miller-Stephenson Chemical, Inc. continues to monitor the situation with the global Coronavirus outbreak. Our goal is to understand any possible impacts on our ability to source raw materials and ship finished goods.

This letter is to assure you that since the onset of the Coronavirus outbreak, we have routinely been in contact with our suppliers to help ensure we are made aware of any shortages of raw materials.

Currently, we are not aware of any impact or shortages.

In addition, Miller-Stephenson Chemical carries an extensive inventory of most of our manufactured products, as well as distributed products, to help ensure product availability during periods of disruption.

Thank you for your continued confidence in Miller-Stephenson Chemical, Inc.

We will continue to monitor the rapidly developing situation and will continue to keep customers informed.

Please do not hesitate to contact us with any further questions.

Sincerely,

D. Dillulio
