

Dear Valued Customer,

To address increases in costs being driven by current global market conditions, such as tariffs and regulatory actions, Chemours will be implementing a 15% surcharge on all orders of Thermal and Specialized Solutions products shipping on or after May 1st, 2025.

The surcharge will be applied prior to taxes and listed as a separate line item, as shown in the example invoice image attached.

If you have any questions, please reach out to Kayla Heider at kayla.heider@chemours.com. Kayla will be supporting account management responsibilities to your business while Kathy Badway is on leave.

We appreciate your business and ongoing support of Chemours.

Kind regards,

A handwritten signature in black ink that reads 'D. Westerhoff'.
